Bureau of Topographical Engrs
Washington Decr 28th 1858

Sir,

Your letter of 20th inst. acknowledging the receipt of the box of Botanical Specimens collected by the party under Capt Simpson, has been received.

Your desire to be furnished with such public documents emanating from this Office as have a bearing on scientific matters will be attended to, but at present we have very few; and not a spare copy of Lt. Bryan's report. It will be forwarded as soon as it can be procured.

Respectfully Sir
